Matthew Middleton has been working as a missionary in Cairo and Bethlehem since leaving Bristol in 2004. From September 2003 he was Organ Scholar at Bristol Cathedral and St Mary Redcliffe. He has studied organ for seven years. He achieved his Bachelor of Music degree from the University of Texas at Austin, where he studied with Frank Speller and earned the first perfect grade for an organ recital in over 35 years.

Prior to studying organ, Matthew excelled in piano, performing with three symphonies before the age of eighteen and winning numerous state and regional competitions throughout the northwest and southern United States.

It is good to be able to warmly welcome Matt back to Bristol.
